FRIENDSHIP SYSTEMS

A GREEN TECHNOLOGY COMPANY

presents this certificate to

Juan Maria Carvajal Ramos

In recognition of the successful completion
of the following training course

FRIENDSHIP-Framework

**Introduction to
Parametric Design and
Hull Form Optimization**

in Potsdam, Germany
January 28 – 30, 2009

This training course covered fully parametric design of hull forms, ensemble investigations and formal optimization to CFD in ship design.

The candidate has been trained using the *FRIENDSHIP-Framework* and is now entitled to receive priority advice on the system.

Trainer

Dr. Stefan Harries
